

CHESAPEAKE AESTHETIC SURGERY

Welcome to the practice of Dr. Karen Elizabeth Boyle, at Chesapeake Aesthetic Surgery. We look forward to working with you to make your aesthetic consultation with Dr. Boyle comfortable and informative – we are committed to surpassing your expectations. Dr. Boyle will spend as much time as necessary, typically at least an hour, to meet with you, talk about your aesthetic concerns and goals, and examine you. She then will review with you the options available to achieve the cosmetic goals you wish to achieve, and together, you will formulate an individualized treatment plan.

Our office is located at 6535 North Charles Street in Physicians Pavilion North, Suite 625 in Baltimore, Maryland. We are open Monday through Friday from 8:30 a.m. to 4:30 p.m., and telephone calls are answered by the office staff during these hours. If you have an emergency and need to reach Dr. Boyle after hours or on weekends, you may call her cell phone. If she doesn't answer immediately, please call the office number at 410-825-5454 and ask the answering service to connect you directly to Dr. Boyle or have her paged.

Consultations for facial aesthetics such as BOTOX® Cosmetic and other cosmetic fillers are complimentary. The fee for body and genital aesthetic consultation is \$200, which is paid at the time of your appointment with Dr. Boyle. Check, cash, and credit card are accepted. There is a \$25 fee for patients who do not cancel within 24 hours of their scheduled appointment time.

If at any time you have questions or concerns please do not hesitate to call Dr. Boyle. You can reach her assistant and practice coordinator, Lisa Tibo at 443-471-5744, email ltibo@cua.md.
